

Welcome to Ms. Tricia's & Ms. Marcy's Pre-K Class.

We hope you all had a fantastic summer!! We are excited to have each of you join our classroom this year. We have such a fun year planned where your child will be able to learn, explore, and grow. Your child will be learning about God, learning how to recognize and write their name, learn through hands on play, exploration, and much more.

I am excited to share this classroom with each of you! My name is Tricia Baumbach. I have over 6 years of teaching experience, with most of it being in Pre-K. I am married to a Deputy Sheriff for 10 years, and we have an 8.5 year old son, who also attends St. Peter Elementary. We attend Pleasant Grove Baptist Church in Elk Grove. My favorites: sunflowers, colors: purple and turquoise. My hobbies are fishing, camping and crafting.

Hi my name is Marcy Zimmerman. I have been teaching in St. Peters Preschool all last year and have enjoyed being back in a class after being a stay- at -home mom for ten years. My favorite food is Italian and Mexican, I love Reese's Peanut Butter Cups, and my favorite color is yellow. My hobbies are crafting, shopping, and art with my kids.
