

Welcome To the 2's and 3's Class

Welcome to the new school year! We are very happy and excited to have you and your little one with us this year. We look forward to getting to know you and your child. Our goal and prayer is that we help them learn and grow throughout the year. In our class we will focus on introducing letters, letter sounds, shapes, numbers, colors, opposites, and recognizing their name. Each day we will learn from our curriculum; discuss our theme of the week, sing songs, play games, and do a craft that goes with our theme.

During devotional time and throughout the day we will be reading Bible stories, singing songs and learning about Jesus. We will learn how great our God is and how He died for us and that He has a special place in all of our hearts. Every month we will learn a new bible verse that the children can memorize and hold in their heart.

Check out what your child is doing each week by looking at our newsletter on our website and daily snapshot in the office. Your child will have their own cubby for extra clothes and an art folder that will have their artwork you can bring home. We are looking forward to an exciting school year and we can't wait to share what we have been planning for your kiddos!!

We would love to stay in communication because we are a team for your child's success!

About your teachers:

Hello my name is Miss Nicole and I will be one of your child's teachers. I have been teaching preschool for 14 years and this is my fourth-year teaching at St. Peter. I have been heavily involved with the church teaching Sunday school and going on mission trips to India and Mexico. I love teaching at a faith-based preschool and sharing the love of Christ with the children. I am from and live in Galt C.A. I attended Cosumnes River College and got my ECE units while there. Outside of teaching I like to travel and make pottery. Some of my favorite things are dolphins, art, and the color green. What I love most about teaching preschool is helping children grow and learn to become self-sufficient and achieve things they didn't know before. I am excited for this new and having your little join us this school year!

Hi! My name is Miss Rosalyn, and this is my second-year teaching here at St Peter Preschool and I am so excited to have your child in our class this year! I graduated with my Associate's Degree in Early Childhood Education at Cosumnes River College in May of 2021, and hopefully work towards my Bachelors when the time comes. I've always been passionate about serving the Lord, through volunteering at my church, Horizon Community Church in Galt; and down in Mexico, building homes for the less fortunate and doing Vocational Bible School all for the past seven years. When I'm not at work, I love spending time with my friends and family, going to Disneyland, shopping, and the beach. My favorite things are sunflowers, cheetah print, glitter, Starbucks, makeup, and the color purple. My favorite part about teaching is learning alongside the children and laughing at the silly things they do and say, especially when they figure out something on their own. As well as, being the person to first lay down the groundwork before they head off to further their education.
