

We hope you all had a fantastic summer!! We are excited to have each of you join our classroom this year. We have such a fun year planned where your child will be able to learn, explore, and grow. Your child will be learning about God, learning how to recognize and write their name, learn through hands on play, exploration, and much more.

I am excited to share this classroom with each of you!

My name is Tricia Baumbach. I have over 7 years of teaching experience, with most of it being in Pre-K. I am married to a Deputy Sheriff for 10 years, and we have an 9.5-year-old son, who also attends St. Peter Elementary.

We attend Pleasant Grove Baptist Church in Elk Grove.

My favorites: sunflowers, colors: purple and turquoise. My hobbies are fishing, camping and crafting.

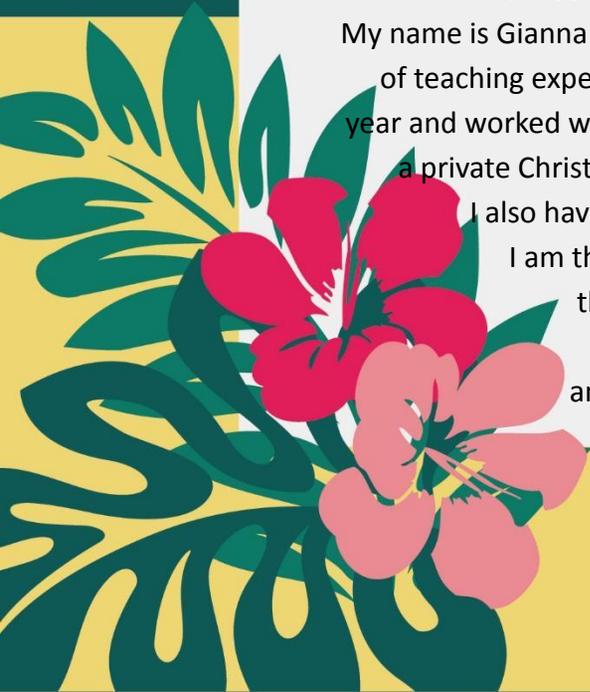

Mrs. Tricia Baumbach

I am so excited for what Mrs. Tricia, and I have in store for your kiddos this school year!

My name is Gianna Morelli. You might hear your children refer to me as Miss G. I am heading into my 4th year of teaching experience in Preschool. This will be my 2nd consecutive year in Pre-K. I took a hiatus of one year and worked with children who had autism in Sacramento. I grew up in the Catholic church and attended a private Christian school K-2nd grade, then 3rd – 12th from Annunciation and Saint Mary's High school.

I also have a 5-year-old who will be attending St. Peter this year and starting Kindergarten.

I am thrilled to have the opportunity to teach your children about Jesus and to grow their minds spiritually and educationally. I look forward to this wonderful school year with you all. My favorite things include the SF Giants and I am a big sports fan, my favorite colors are blue, black & orange, and I enjoy spending time with friends and family.
